# Arti Gras 2023

## ***"INSPIRATION FRAMED"***

**Become an Arti Gras 2023 Artist & create an "Inspiration Framed" Art Piece**

**Each Artist will be given a photo and a 24" by 10" frame to use in creating an art piece**

**The photo is your inspiration.** Maybe it's the subject matter, maybe the color or mood. Paint, sculpt, bead, weave, draw, knit, quilt or collage your piece. Create in any media. Mix your media.

**Incorporate your frame.** Make your frame into a mobile, cut it apart, paint it, rearrange the pieces into a 3-D piece or use it as a stand to display your piece. Each Artist will be given a photo and a 24" by 10" frame to use in creating an art piece. The art piece must incorporate the frame in some way. The frame may be altered in anyway the artists wishes.
